

## East York holds off a late Newmarket surge...

Last night the Hawks traveled to East York to take on their Division Rival Bulldogs. Starting the game was Jason Robinson (0-1, 4.76 era) Jay started fast and hard holding the Bulldogs to 2 runs on one mistake and going 5 strong innings. Trailing 2-0, the Hawks chipped and chipped away as Trevor Robinson singled, Tom Fitzgerald doubled and Nate Robinson scorched a shot to the opposite field scoring "womb mate" Trevor. Jeff Chan and Elliot Lew both broke bats and produced another game tying run on a Jeff Chan

**Matt "Delila", also heard on late night radio shown here taking ground balls.**

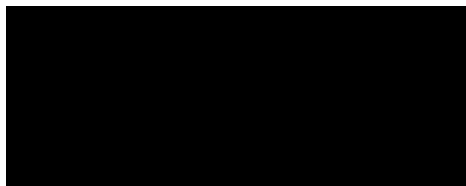

LASERBEAM double down the right field line. Nate Robinson (1-0, 3.00 era) came into the game to pitch and threw well, once again, he was burned by the fly ball (lost in the sky) and gave way to Neal Baker (0-1, 2.79 era) Neal held the Bulldog offense off while the Hawks began the comeback. Leading off with a walk in the top of the ninth was Trevor Robinson, following him to first on another base on balls was Tom Fitz

and taking full advantage of the wild pitcher, Mark West joined in the "walks for Charity" with the bases loaded, and it was up to dug Lunney who worked the count and walked to get the tying run to 3rd. From there, as the French would say "it is a certain, I don't know what". The pitcher found his groove and ended the game with a dirty strikeout. It seems like the Hawks cant get a break. Playing a hard fought game, the drop to 1-6 on the season and have a severe uphill battle ahead of them. Be warned, when the hits start falling, things are going to change.

## Thornhill Visits Newmarket, Big time match up Tonight!!!

Throughout the years the Newmarket Hawks and the Thornhill Reds have had battles in too many games to count. Handing each other beatings and battling through close games, these match ups never seem to get old. Bringing with them a blend of young and old, both squads play their hearts out night or day. Anchored by Steve Wilson, one of the only guys to play in the league for 4 decades (along

with Tom Fitzgerald and Dave Valentini, tonight's game will be both exciting and well fought. "to see a guy come out here day after day and arrive to the park with a cane gives us

young guys hope." Stated Neal Baker. With strong will and hard work during the off season, these players give it their all. "I found it tough to get a good night sleep when I was up every hour to visit the bathroom" Confessed Steve Wilson, "I still hit the ball that almost knocked over the scoreboard off Mark West last year, too bad I couldn't see it, you know the eyes are the second thing to go!" he added...
